

## **PROFESSIONAL LIABILITY INSURANCE SCHEME FOR MANUAL HANDLING TRAINERS & BACK CARE ADVISERS - SUMMARY OF COVER**

This Commercial insurance policy is designed to meet the needs of professionals who wish to protect themselves in the event of civil liabilities arising from their business activities.

### **CIVIL LIABILITIES**

The policy provides cover in the event of civil (as opposed to criminal) liabilities arising from your Business as described on your certificate of insurance, and provides an indemnity to you/your organisation and any employees whilst acting on your behalf. It includes cover for your liability for the acts or omissions of any sub-contractors but will not (unless we have agreed in writing) provide an indemnity to sub-contractors. The policy combines cover that would be provided by Professional Indemnity, Public Liability, Libel & Slander and Product Liability insurances and covers any amount you may have to pay as compensation up to the limit(s) shown in your certificate.

### **LIMIT OF INDEMNITY**

Your chosen limit applies to each and every event, but applies in the aggregate in any one period of insurance in respect of claims for pollution or contamination.

For the purposes of this insurance all claims arising as a result of any one occurrence, or all occurrences of a series attributable to one original cause will be regarded as a single claim.

Legal costs are payable by the insurers in addition to the chosen limit of indemnity.

There is no excess or deductible under this insurance.

The insurers for this product are AXA Insurance UK plc (AXA).

### **ADDITIONAL COVERS**

In addition to civil liabilities, the policy provides the following covers:

#### **Complaints Advice & Response and Disciplinary Hearings**

- The policy includes professional assistance up to £800 to provide you with guidance in the early stages of a complaint made about you, or any person acting in connection with the business, to your professional body or other regulator. The intention of this cover is to help you submit a response to the complaint.
- In addition, the policy provides cover for representation at a disciplinary hearing by any professional regulator, including appeals against any judgement given

#### **Legal Defence for Criminal Proceedings:**

The policy provides cover for legal defence following criminal proceedings regarding:

- Health and Safety at Work etc Act 1974
- Part II of the Consumer Protection Act 1987
- Part II of the Food Safety Act 1990
- Other criminal prosecution where such prosecution is likely to lead to a civil claim under this policy. A limit of £100,000 applies to this section.

### **Court Attendance Costs**

If you are required to attend court as a witness in connection with a claim under this policy, the policy will reimburse the following amounts:

The Insured or any Director or other official	£500 per day
Any employee	£250 per day

### **Release of Confidential Information**

Where you are required by a UK court or tribunal to disclose notes or information of a confidential nature not relating to a complaint or claim against you, the insurance will cover costs to assist with the preparation of arguments as to why they should not be released. In addition, where appropriate, the insurers will pay towards your costs in preparation of a report in lieu of releasing your notes. Cover under this section is limited to £5,000.

### **Public Relations Consultancy Fees**

In order to minimise or prevent a potential claim against you, cover up to £25,000 is provided.

### **Fees Recovery**

If a client refuses to pay your fees on the grounds of alleged negligence on your part and threatens a potential counter-claim, the policy will reimburse you with the cost of waiving your fees if this is judged by the insurers to be an effective means of resolving the matter and preventing a legitimate claim from arising.

### **Loss of Documents**

Cover is provided up to a limit of £50,000 in respect of loss of or damage to documents held in trust by you and for which you are responsible.

### **WHEN DOES THE POLICY OPERATE?**

The policy is issued on a 'claims made' basis, which means that cover applies when a claim is made against you irrespective of when the incident which gave rise to the claim is alleged to have occurred. Cover will apply to incidents which occurred prior to inception of this policy, as long as when you take out the insurance you are not aware of any such circumstances which could give rise to a claim.

### **RUN-OFF COVER**

It is important to remember that the insurance can only respond to a claim if the policy is in force at the time the claim is made against you. If you cease to practise or trade by reason of death, retirement or career break, the policy will provide run-off cover free of charge for a period of three years immediately following the final period of insurance, providing you are insured as an Individual or as a Sole Trader Limited Company.

If you need run-off cover for a longer period, or if you are a Limited Company with more than one director, or in any other circumstances, you should contact us.

### **MAIN EXCLUSIONS**

The policy does not provide any cover for the following:

#### **Liability to Employees**

Any injury to employees arising out of and in the course of their employment with you. (If you have employees you should talk to us about Employers' Liability insurance.)

Liabilities which should be insured under other types of policy  
Such as Motor Insurance or Employment Practices Liability

**Business Risks**
