Scope of services

We are insurance intermediaries (brokers). Occasionally we act as the agent of another intermediary. Our services include:-

- Arranging and advising on your non-investment insurance needs
- Providing you with information on insurance products suitable for your requirements
- Negotiating insurance covers with insurers
- Assisting you with ongoing changes to your requirements
- Assisting you when making a claim
- Arranging credit facilities for insurance payments

We offer products from a limited number of insurers for:

- Professional Indemnity Insurance
- Medical Malpractice Insurance
- Management Liability
- General Liability
- General Non Liability Insurance

You may ask us for a list of the insurers we deal with for these products.

We only offer products in respect of the following specialist categories from a single insurer:

- Complementary Healthcare Practitioners Liability (AXA)
- Educational Consultants (AXA)
- Paramedics (Allied World)
- Private Practice Insurance (Aviva)
- Criminal Prosecution Defence Costs and Fitness to Practise Cover (Abbey Legal)
- Locum Insurance (Introducer only to Practice Cover Ltd)

Where products are supplied from a single insurer the terms have been especially negotiated for Members of Professional Bodies, Trade Unions or Trade Associations.

Our recommendations are based on a combination of value for money, quality of service and financial security, appropriate to your circumstance and expressed needs. However, we cannot and do not provide a guarantee in regard to the financial reliability of any insurance provider. Unless you advise us otherwise we will act on the understanding that we have your authority to agree to insurance policy wordings on your behalf. We do not accept liability for claims, settlements or return premiums relating to policies held with an insurer who has become insolvent. We will, however, provide every assistance in submitting your claim to the liquidators, administrators or receivers etc.

Client Categorisation

We will take into account the following FCA definitions during our dealings with you:

Consumer - any natural person acting for purposes outside his trade, business or profession.

Commercial - a client who is not a consumer.

All clients are dealt with as commercial clients.

Risk information

The terms of any insurance that we arrange on your behalf will be based upon the information provided by you.

When applying for, amending or renewing your insurance policy, your insurer will ask a number of questions to assess the risk prior to agreeing cover. It is your duty to ensure that you provide a fair presentation about your business that enables insurers to understand the risks you wish to insure or make further enquiries. You may need to consult with others within your business that may also have relevant knowledge that should be declared to insurers.

If you fail to disclose all the material facts or, if you answer carelessly or act deliberately or recklessly in making misrepresentations when answering questions, your policy may leave you with no insurance protection; insurers may not pay a part or all of your claim, and may cancel your policy and retain any premium paid. For more information on your duty of disclosure, please see our leaflet on the "Insurance Act 2015".

Payment methods

We have agency agreements in place with most insurers which permit us to act as their agent in handling premium payments, claims payments and premium returns. In these circumstances insurers - through the agency agreement - grant what is called

a “risk transfer”. This means that when you pay a premium to us, the insurer deems this to be payment to them. Claims monies and return premiums paid by insurers through us are not deemed to be paid until received by you.

We normally accept payment by cheque, electronic transfer, credit card or debit card.

In addition some clients may be able to spread payments through an insurer’s instalment plan or a credit scheme with a finance provider, for which there is likely to be an additional charge. We will provide full details of available payment options when providing quotations and at renewal. Graybrook is authorised by the FCA for credit broking.

Payments due must be paid to us by the inception or renewal date unless otherwise agreed. Failure to meet this requirement may result in insurers cancelling the policy and imposing a time on risk charge.

Our Remuneration

We normally receive commission from the insurance provider as a percentage of the premium and an administration fee where we carry out work on behalf of insurers in preparing and issuing Certificates, New Business and Renewal Documents. Any such fees will be advised to you before you incur the liability to pay them and will be separately itemised.

We also receive commission from providers of Premium Financing companies, where with your agreement we have made such arrangements on your behalf.

We may also receive additional income from insurers by way of volume, growth or profitability payments.

In the event of a policy being cancelled mid-term and not replaced by another policy, we reserve the right to retain any administration fees or commission earned on the original transaction.

Confirmation of cover

Cover will not commence until your proposed risk has been accepted and the premium paid. Confirmation that cover has been effected or renewed (including any mid-term changes that may arise) will be confirmed in writing.

Cancellation of Policies

You should make any request for the cancellation of a policy in writing and any relevant certificate of insurance must be returned to us or the insurer concerned.

If you wish to cancel your policy, you may be entitled to a refund of part of your premium as long as no claims have occurred. The refund may not necessarily be proportionate to the remaining period of cover and may not be available where the policy is subject to a minimum or deposit premium or where current certificates have not been returned or where there is an outstanding balance owing.

Failure to maintain instalments on any premium financing facility arranged either direct with insurers or through a finance provider will usually result in termination of the policy unless alternative provisions have been agreed.

Claims

All claims, potential claims or circumstances which may lead to a claim should be reported immediately either to ourselves or to the insurer concerned. Failure to notify claims within the insurer’s required timescales may result in your claim being rejected. It is your duty to disclose all relevant and material information and provide every assistance to your insurers to enable them to deal quickly and effectively with the claim on your behalf.

Please note that in respect of policies arranged on a **claims made** basis, claims notified after expiry or termination of the policy will not be insured unless run-off cover has been arranged.

The personal information you provide to us is subject to UK Data Protection laws and the General Data Protection Regulation (GDPR). We will process your personal data, both manually and by electronic means, for the purposes of arranging and administering your insurance or arranging finance or handling claims on your behalf.
